

2009 Service Awards

City Service Awards Program

Since 1926, the League of Kansas Municipalities (LKM) has promoted a city service awards program to recognize city employees for faithful, continuous service. The awards program includes both city employees and elected officials. In addition, the program offers a number of levels for recognition.

The program includes the purchase of a gift for the employee or elected official from the enclosed catalog, a listing in the Service Awards Luncheon program which is presented at the annual LKM conference, and an individualized certificate printed on parchment paper for each recipient. The catalog may be viewed on the LKM website at <http://www.lkm.org/service-awards/>.

Those employees or elected officials receiving awards for 40 years of service will be presented with their awards and certificates at the Service Awards Luncheon during the annual conference on Monday, October 5, 2009. Each 40-year recipient will be listed in the program along with a photo and short biography.

If a city does not wish to purchase a gift from the LKM catalog, they may also choose to simply list their employee or elected official in the awards program. In this case, the recipient will also receive an individualized certificate from LKM. All awards and certificates will be mailed to your city in September.

Who is Eligible for City Service Awards?

The LKM service award program is open to all League member cities and provides awards for the following years of city service:

- 8 years*
- 10 years
