CAUTION:

Please do not make a hotel reservation unless you are absolutely sure you will use it! In the past, many individuals have made room reservations early and then cancelled after the cut-off date for the room block. As a result, many individuals who actually attended the conference did not get their choice in hotel. This year, the City of Topeka is host to a number of special events that will be occurring at the same time as LKM's Annual Conference. To ensure room availability, reservations must be made by the cut-off date listed. However, making reservations just to protect your options denies other attendees a room of their choice, costs the hotel business, and is costly for LKM. If you make a reservation and later need to cancel, please do so as early as possible so the room may be made available to someone else.

RESERVATION PROCEDURES:

- LKM has made special arrangements with the hotels listed to provide accommodations during our Annual Conference. Room reservations should be made by contacting the hotels directly.
- Attendees are responsible for making their own reservations.
- Reservations may not be made until after 2/1/09.
- Remember to ask for the special LKM conference rate when making reservations.

SPECIAL NOTE:

If you are making hotel reservations for someone else, please confirm with each person that they actually need hotel accommodations and intend to use the accommodations before making the reservation.
